

Voice: an underground workshop

A seminar that emphasizes collective sharing. The activities are divided into practical and theoretical, working on various aspects of vocality and the study of music: sound, improvisation, choral singing, performance, breathing, repertoire, fundamentals of complementary piano and ear training.

Who is it for?

There are no age limits, however the groups will be formed with people of similar age and level. It is important to have at least a basic technical and musical basis to access the course. For any information in this regard, do not hesitate to contact me.

Number of Participants:
