

One-to-one singing course

The one-to-one singing course is specially designed for each student based on his needs, tastes and starting level. The evaluation of the path to follow is carried out by the teacher during the first meeting.

The topics of the study range from conscious breathing, to intonation, to repertoire, up to ear training, music reading and theory.

Who is it for?

People willing to have fun and explore their voice. During the course It is also possible to prepare entrance exams to middle and high schools of music, and to the conservatory.

Duration:

Lessons last one hour and weekly attendance is recommended.

Where is it:
